About This Game

STORY

Rena found herself in the forest when she wakes up. Then when she planning to find a way out, she found Elin, who also planned to leave the forest. The two decided to leave together.

- Rena is responsible for repelling the monster, and Elin will pick up the nearby items.
- Items are kept by Elin, so you need to be close to Elin when using the items.
- Elin will also make the items and need two people to get close to the fire.
- Eating will restore the physical strength LP, LP will decrease a little bit with time.
- LP is also consumed when using skills.
- When LP is equal to 0, the attack power will be halved and the skill will not be used.

Anything wrong?

A

Actually, I really don't want to thumb down for this game due it is very playable, good and fun.

however, since it is very short and not finished yet, why the game is not in "Early Access" !!!!

If they will do that, at least I accept paying for it. Otherwise, I'm afraid they will stop developing it.
